

# SCHEDULING YOUR IMAGING PROCEDURE

DOING WHAT'S BEST.®

Thank you for trusting your wellbeing with McLaren Health Care. As part of your care, your doctor has ordered an imaging procedure, and it's our goal to schedule it in an efficient and timely manner.

Having your procedure performed at a McLaren imaging center helps ensure you receive the benefits of continuity of care, establishing a team-based approach to your overall care, promoting better quality, an enhanced experience, and controlled costs.

**Expect a call from McLaren Central Scheduling**, who will be calling from an 800 number (which may display as calling from Shelby Township). Timing of a scheduler's call will be determined by the physician's order and the timeframe in which the procedure must be performed.
