

Why we ask for your email address

McLaren Health Care believes in empowering patients to manage their health by providing convenient access to their health information. That's why we've created My McLaren Chart, an online portal where patients will be able to securely access their medical information *24 hours a day, seven days a week*.

We request an email address from our patients so that a secure invitation to join My McLaren Chart can be sent directly to their email after their visit with us.

With a free My McLaren Chart account, patients can:

- ✦ Access their medical information 24 hours a day, seven days a week
- ✦ Review clinical summaries and care instructions about recent visits
- ✦ Get lab and test results

All we need is a valid email address to send you an invite to My McLaren Chart.

Thank you for your cooperation!
