**Partial Hospitalization Program**

**Acknowledgement - Purses, Back Packs and Bags**

McLaren Bay Region Partial Hospitalization Program strives to ensure safety of all patients, staff and families. It is vitally important that all measures of safety are taken to control the possibility that weapons, illegal drugs and other paraphernalia are not brought into the facility.

This acknowledgement serves to inform clients of the need to keep all backpacks, large purses, bags, etc. at home. these items will not be allowed in the program. Anyone trying to bring these items into the Partial Hospitalization Program will be asked to leave and will not be allowed in the patient care area. Anyone riding with the van services that attempts to bring these items into the program and cannot get a ride home will be asked to sit in the lobby until the afternoon van service comes and again will not be allowed into the patient care area. Small cocktail type purses are permitted. Security reserves the right to ask to search clients or their belongings to ensure the safety of others in the program.
