

McLaren Greater Lansing

# NURSING INTERNSHIP PROGRAM

**Earn while you learn! Take your education experience to the next level in a hands-on clinical setting.**

The Nursing Internship Program at McLaren Greater Lansing is a **paid internship** designed for undergraduate nursing students interested in gaining firsthand professional development and clinical experience in a hospital setting.

This unique learning opportunity is flexible with your schedule and includes:

- Both day and night shifts available
- Choose between 6, 8 and 12-hour shifts
- Complete at least three shifts within a 30-day period

## HOW TO APPLY

For questions or more information, contact Amanda Lampron, Director of Patient Care Services at:
