Managing your health can be challenging. The Chronic Care Management program can help you live a healthier life and keep you doing the things you love. As a participant you can expect:

- Personalized care from a dedicated chronic care manager.
- Assistance coordinating your visits with providers, labs, radiology, or others.
- Help booking appointments with your provider for urgent matters.
- Oversight of medications.
- A personalized plan of care that aligns with your goals and values.

**ELIGIBILITY**

If you have Medicare and two or more chronic health conditions, some examples of which are listed below, you may benefit from the Chronic Care Management program.

**Spec Info:**

- |                             |                                       |
|-----------------------------|---------------------------------------|
| • Alzheimer's               | • Cardiovascular disease              |
| • Atrial fibrillation       | • COPD                                |
| • Autism spectrum disorders | • Depression                          |
| • Cancer                    | • Diabetes                            |
|                             | • Hypertension or high blood pressure |

**WHAT IS THE COST?**

Depending on insurance coverage, there may a minimal copay or no out-of-pocket cost to receive chronic care management. Patients can call their insurance to determine coverage.

**HOW DO I JOIN?**

Ask your primary care provider to find out if you qualify for this service. The office completes participant registration.
