TRANSESOPHAGEAL ECHOCARDIOGRAM

PLEASE CHECK IN AT CARDIAC AND NEURO TESTING

2ND FLOOR — SOUTH TOWER

NAME: _____

APPT. DATE: _____

TIME: _____ ARRIVAL TIME: _____

WHAT IS A TEE OR TRANSESOPHAGEAL ECHOCARDIOGRAM?

Echocardiogram is an ultrasound test that uses sound waves to produce an image of the heart. TEE is a special echocardiogram in which an instrument (transducer) is passed down the esophagus to a place near your heart. The ultrasound waves from the transducer create a picture of the heart on a television screen. The procedure will not interfere with your breathing.

PATIENT INSTRUCTIONS:

TO PRE-REGISTER CALL 989-667-6326 OR TOLL FREE 888-922-9633

**** If you are unable to keep this date for your procedure please call Bay Heart and Vascular @ 989-894-3278 at least 24 hours before the scheduled date.
