MEDICARE PATIENT RIGHTS REGARDING INPATIENT REHABILITATION SERVICES

As part of your inpatient rehabilitation stay, information will be gathered about you to develop a plan of care. The Medicare assessment will also help determine payment for your care. You have specific rights with regard to this assessment. They are as follows:

- The rights to be informed of the purpose of this patient assessment data collection.
- The right to have any patient assessment information remain confidential and secure.
- The right to be informed that the patient assessment information will not be disclosed to others except for legitimate purposes allowed by the Federal Privacy Act and Federal State regulations.
- The right to refuse to answer patient assessment data questions.
- The right to see review and request changes on the patient assessment instrument.

The above rights were reviewed and discussed with the patient in full. I received a copy of the two-page form entitled Privacy Act Statement - Health Care Records.

In addition, you may ask the Centers for Medicare & Medicaid Services to see, review, copy or request correction of inaccurate or missing personal identifying health information which this Federal agency maintains in its IRF-PAI System of Records. For CONTACT INFORMATION or a detailed description of your privacy rights, refer to the attached PRIVACY STATEMENT - HEALTH CARE RECORDS.

Note: The rights listed above are in concert with the rights listed in the hospital conditions of participation and the rights established under the Federal Privacy Rule.
