**PATIENT SURGERY IDENTIFICATION NUMBER**   
NORTHERN MICHIGAN

Welcome to McLaren Northern Michigan. We understand it can be stressful not knowing the progression of care as your family member or loved one undergoes surgery. In order to keep you better informed, we have installed electronic tracking boards in the Surgery Waiting Area, Cafeteria, Level 1 Waiting Room, and ICU Waiting Room.

Each patient is assigned a unique identification number (see box on reverse side of card) to ensure patient confidentiality. Use this number to identify the patient on the electronic board, and track his or her progress from one care area to another (see explanation of codes on reverse side of card).

**If you have questions or need assistance, please free free to ask the Waiting Room representative, or dial 7-5956 or 7-3300.**
