## THREE THINGS TO ASK YOUR PROVIDER ABOUT CHILDHOOD VACCINATIONS:

As a parent, you work hard to help your child grow up to be healthy and happy. Below are some questions to start a conversation. Feel free to ask anything else about vaccines for kids that may be on your mind.

1. Which vaccines are recommended for my child?
2. Do the benefits of vaccinating my child outweigh the risks?
3. Where can I go to get my child vaccinated?
