KSP, McLaren's specialty pharmacy, serves the needs of patients with complex disease states and high-cost therapeutic treatments. KSP is a partner in promoting patient health and well-being.

**ADVANTAGEOUS FOR PROVIDERS AND PATIENTS**

KSP provides convenient services to its patients and providers. McLaren providers can submit electronic prescriptions for specialty medications through One McLaren Center. KSP will provide quick and convenient delivery right to the patient's door. In most cases, drug delivery time will be shorter than external specialty pharmacies. In fact, the average rate to the first dose at KSP is approximately 4 days, while the industry standard is generally 6 days.

For added convenience, [KSPpharmacy.org](http://KSPpharmacy.org) and the KSP mobile application (app) feature a patient portal where patients can securely refill prescriptions, see their medication list, get refill reminders and interact with their pharmacist. The app is available for both iPhone and Android users.

**HOURS OF OPERATION**

KSP is open Monday through Friday, 8:30 a.m. - 6 p.m., with an after-hours call center available 24/7.

For more information about KSP, please call 1-833-KSP-4-YOU (1-833-577-4968).
