ABOUT CORY

Cory was raised in northern Michigan and has lived in Charlevoix country for most of his life. He was a cardiovascular/critical care RN for 6 years here at McLaren Northern Michigan before completing his Doctorate of Nursing Practice degree in 2022. Cory enjoys spending time outdoors with his wife and two girls, skiing in the winter and hiking in the summer. He loves to play guitar/bass guitar and is an active member on his church's worship team.

WHAT IS A HOSPITALIST?

Hospital Medicine is a medical specialty dedicated to the delivery of comprehensive medical care to hospitalized patients. Hospital Medicine Specialists are physicians and advanced practice professionals whose primary professional expertise is the medical management of the acutely ill, hospitalized patient.
