ABOUT DR. BATTILANA

Dr. Battilana grew up outside Ann Arbor but has been coming to northern Michigan to ski her entire life. She now prefers snowboarding and a trip to the Rockies but loves everything else northern Michigan has to offer. In her time off she enjoys boating, golfing, live music and being outdoors with her husband, son and two dogs.

WHAT IS A HOSPITALIST?

Hospital Medicine is a medical specialty dedicated to the delivery of comprehensive medical care to hospitalized patients. Hospital Medicine Specialists are physicians and advanced practice professionals whose primary professional expertise is the medical management of the acutely ill, hospitalized patient.
