ABOUT DR. BATTILANA

Born and raised in Queens, NY, this New Yorker has called Northern Michigan home since 2020. He traded his city lifestyle for the great outdoors and has since picked up skiing, golfing, boating and hiking. His hobbies include cooking, sneaker collecting and has started learning about watches.

WHAT IS A HOSPITALIST?

Hospital Medicine is a medical specialty dedicated to the delivery of comprehensive medical care to hospitalized patients. Hospital Medicine Specialists are physicians and advanced practice professionals whose primary professional expertise is the medical management of the acutely ill, hospitalized patient.
