# KARMANOS CANCER INSTITUTE YOUR CARE TEAM

Your care team at Karmanos Cancer Institute at McLaren Northern Michigan specialize in Hematology, Medical Oncology, and Radiation Oncology. They are recruited from top universities and teaching hospitals across the nation to form the foundation of advanced and innovative cancer care.

## IRENE CONNOLLY, MD

*Medical Oncologist, Palliative Care, Hematologist  
Petoskey Medical Oncology*

Dr. Connolly received her medical degree from the University of Illinois at Urbana-Champaign. She completed her internal medicine residency at Loyola University Medical Center, a hematology/oncology fellowship at East Carolina University/Vidant Medical Center and a hospice/palliative medicine fellowship at the University of Michigan. She is board-certified in hematology, medical oncology, internal medicine and hospice/palliative medicine with a special interest in breast cancer, lung cancer and supportive care. Dr. Connolly has published articles and presented topics to include neuropathic cancer pain and palliative care. She is the recipient of two patient-nominated Guardian Angel awards. Dr. Connolly is committed to the pursuit of knowledge to improve cancer treatment and outcomes. Her clinical protocol research study is currently accruing patients through Institutional Review Board approval. In her spare time, Dr. Connolly enjoys kayaking, biking, hiking, reading, volunteering at her son's school, and visiting our country's national parks.

## ELENA COPPOLA, DO

*Medical Oncologist, Hematologist  
Petoskey and Gaylord Medical Oncology*

Dr. Coppola received her medical degree from Michigan State University College of Human Medicine. She completed her hematology/oncology fellowship at McLaren Greater Lansing, and her residency in internal medicine at Sparrow Health System. Dr. Coppola is board certified in internal medicine, hematology and oncology. In addition to hematology and oncology, Dr. Coppola has a special interest in immune thrombocytopenia and lung cancer. Dr. Coppola serves as the clinical champion for the Multidisciplinary Lung Tumor Board and is Medical Director for Oncology at Karmanos Cancer Institute, McLaren Northern Michigan. Her hobbies include time with family, running, biking, weight training, enjoying the outdoors, and baking.

## KALUB FEDAK, MD

*Medical Oncologist, Hematologist  
Petoskey and Gaylord Medical Oncology*

Dr. Fedak received his medical degree from Michigan State University College of Human Medicine, Lansing, Michigan. He completed his internal medicine residency at the Cleveland Clinic and his hematology/oncology fellowship at Karmanos Cancer Institute. Dr. Fedak is board-certified in internal medicine, medical oncology and hematology. Dr. Fedak's work on novel strategies in the treatment of relapsed and refractory Hodgkin lymphoma resulted in presentations at the 2022 American Society of Clinical Oncology and European Hematology Association annual conferences. He also serves as a member of the McLaren-wide Laboratory Advisory Group. In his personal time, Dr. Fedak enjoys music, canoeing, golfing, hunting and fishing, as well as exploring Northern Michigan with his two young children, and his Cavalier King Charles Spaniel dog, Rosy.

## ASHLEY MATUSZ-FISHER, MD

*Medical Oncologist, Hematologist  
Petoskey Oncology*

Dr. Matusz-Fisher received her medical degree from Wayne State University, Detroit, Michigan. She completed her internal medicine residency and hematology/oncology fellowship at Levine Cancer Institute, Atrium Health, Charlotte, North Carolina. She is board-certified in internal medicine, hematology and oncology. She was a selected participant in the American Society of Clinical Oncology (ASCO)/American Association for Cancer Research (AACR) Methods in Clinical Cancer Research Workshop held in July 2021, and received Outstanding Fellow Recognition by the North Carolina Oncology Association as well as a Fellow Merit Award at the ASCO GI Symposium in 2020. In addition to caring for patients, Dr. Matusz-Fisher has garnered a special interest and expertise in breast cancer and has published articles and presented on topics to include breast cancer treatment techniques. Dr. Matusz-Fisher finds joy in getting to know her patients and their families, educating them about their disease process and treating them with the best therapies available. She enjoys living in and exploring the beauty of Northern Michigan with her husband and children.

## EMILY TAYLOR, MSN, FNP-BC

*Nurse Practitioner, Hematology & Oncology  
Petoskey Medical Oncology*

Emily received her Bachelor of Science in Nursing from the University of Colorado, Denver, and her Master of Science in Nursing from Chamberlain University, Chicago. She is nationally certified as a family nurse practitioner by the American Nurses Credentialing Center. Emily has spent her entire career caring for oncology patients and has experience in multiple settings including hospice and palliative care, transplant and outpatient oncology. She has a special interest in holistic cancer and completed one year of integrative oncology training through the University of Michigan. Emily is a member of the Oncology Nurses Society, the Society for Integrative Oncology, and the Michigan Council of Nurse Practitioners. She is an avid world traveler and, along with her husband and two daughters, also enjoys the year-round recreation that Northern Michigan provides.

## REBECCA WOLTMAN, DNP, APRN, FNP-BC

*Nurse Practitioner, Hematology & Oncology  
Petoskey and Gaylord Medical Oncology*

Becki received her Bachelor of Science degree from Madonna University, Livonia, Michigan, her Master of Science in Nursing from South University, Savannah, Georgia, and her Doctor of Nursing Practice (DNP) from Oakland University, Rochester, Michigan, in which she was the recipient of the prestigious Oncology Nursing Foundation scholarship. She is a member of the Oncology Nursing Society (ONS), Advanced Practitioners Society for Hematology and Oncology (APSHO), American Nurses Association (ANA), Michigan Council of Nurse Practitioners (MICNP), Michigan Society of Hematology and Oncology (MSHO), and the American Society of Clinical Oncology (ASCO). Becki is a member of the McLaren Northern Michigan Ethics Committee and the Oncology Quality Council – Karmanos Network, and also participates in the Michigan Oncology Quality Consortium. Becki has served our Petoskey and Gaylord locations since 2016. While not at work, she is an avid sports fan, enjoys gardening, reading, and any outdoor activity where she can enjoy the beauty of Northern Michigan. In addition to her dog, Wrigley and her cat, Friday, her biggest love is being Auntie to her nieces and nephews.

## ISAAC KAUFMAN, MD

*Radiation Oncologist, Medical Director  
Petoskey Radiation Oncology*

Dr. Kaufman received his medical degree from Wayne State University School of Medicine, Detroit, Michigan, where he was elected to the Gold Humanism Honor Society, which recognizes compassionate medical care. He went on to complete his radiation oncology residency at the Detroit Medical Center where he served as chief resident. Dr. Kaufman is board-certified in radiation oncology by the American Board of Radiology. He has a special interest in stereotactic radiosurgery and stereotactic body radiotherapy. Dr. Kaufman has been recognized by his patients and colleagues with several honors, including My Kind of Doc and Guardian Angel awards, and is one of the McLaren network leaders in clinical research trial accruals. Dr. Kaufman is one of the first physicians in Michigan to use low dose radiation treatment for osteoarthritic pain relief. He is recognized with honors such as the My Kind of Doc and Guardian Angel awards, he is dedicated to patient well-being. Dr. Kaufman's hobbies include outdoor activities with his wife and four children, while pursuing a variety of fitness goals.

## PEDRO ZAMORA, MD

*Radiation Oncologist  
Petoskey Radiation Oncology*

Dr. Zamora received his medical degree from the Ohio State College of Medicine in Columbus, Ohio. He completed his internal medicine internship at Riverside Methodist Hospital in Columbus, Ohio, and his radiation oncology residency at Wayne State University, where he was chief resident. Dr. Zamora is a 2022 recipient of the Radiological Society of North America Roentgen Resident/Fellow Research Award. He received the Dr. David R. Pieper Medallion for his first-place oral presentation at the 43d Annual Research Forum, Southeast Michigan Center for Medical Education in 2021. Dr. Zamora has published articles and presented topics on a variety of radiation oncology techniques. He is board-certified in radiation oncology by the American Board of Radiology. Outside of work, Dr. Zamora enjoys running, being in nature, and exploring Northern Michigan.
