

# CARE MANAGEMENT

Ask your provider how you can benefit and be enrolled into one of these programs or call (844) 368-1817 to speak with someone from our Care Coordination Department.

## CHRONIC AND PRINCIPAL CARE MANAGEMENT

Managing your health can be challenging. Our Care Management programs can help you live a healthier life and keep you doing the things you love.

As a participant you can expect:

- One-on-one education with you about your illness or disease
- Management of your illness at home
- Assistance with non-medical issues:
  - Housing
  - Food
  - Transportation
- Coordination of care between your primary care provider, specialists, pharmacy, lab and radiology, hospital or emergency room
- Assistance with medication refills

### Medicare Patients are eligible for additional services:

- Access to an assigned personal nurse
- Development of a personalized care plan
- Monthly check-ins and monitoring from home
