**WELCOME TO THE PULMONARY
FUNCTION LAB AT MCLAREN
GREATER LANSING**

Some tests require special instructions that you must follow. Please refer to the specific test your physician has ordered (below) for proper instruction. For all tests, please do not smoke for two hours prior to testing.

Patient registration

Please report to front desk in the main lobby 20 to 30 minutes prior to your testing time.

After registration, you will be escorted up to the Heart & Vascular Institute on the second floor for check-in. The lab will be notified when you arrive.

Check the test that you are scheduled for:

- Spirometry
- Spirometry with Pre and Post Bronchodilator
- Diffusion Study (DLCO)
- Puffymography (Lung Volume and Airway Resistance)
- Methacholine Challenge Test
- Arterial Blood Gas Analysis
- Exercise Breath by Breath Study
- Exercise Provocation
- Exercise Chemistry
- Indirect Calorimetry (Nutrition Assessment)

For more questions, please call McLaren Greater Lansing's Pulmonary Function Lab at (817) 878-7944.

For scheduling, please call McLaren Greater Lansing's Center/Pulmonary Diagnostic department at (517) 875-0995.
