Ashley Richardson, DO, a board-certified general surgeon and fellowship-trained breast surgeon at McLaren Flint, assists patients by assessing their needs, developing and implementing individualized treatment plans tailored specifically to their conditions. Dr. Richardson and her skilled team treat patients with various breast conditions and breast cancers.

Dr. Richardson has specialized training in:

- Axillary node dissection
- Sentinel node biopsy
- Lumpectomy/breast conservation
- Various mastectomy options (total simple mastectomy, skin sparing mastectomy, prophylactic/prophylactic mastectomy, and nipple mastectomy)
- Oncoplastic surgery
- Simultaneous reconstruction with plastic surgery

**FLINT HAS A DEDICATED NURSE NAVIGATOR**

The patient nurse navigator seeks to:

- Address patient questions and concerns.
- Link patients to resources regarding insurance and payment assistance.
- Refer patients to transportation services, if needed.
- Direct patients to further health care services.
- Identify helpful local resources and support services.
- Help patients track appointments.
- Act as a resource for helpful health care information for patients and their families.
