In keeping with the values of McLaren Health Care Corporation to improve the health and well-being of the people in our community and to fulfill the responsible stewardship of our public trust, McLaren Corporation shall provide financial assistance to patients who qualify.

McLaren will offer patients the opportunity to apply for financial assistance. Financial assistance will only be considered for medically necessary services. Elective medical services may not qualify for financial assistance, but a private-pay discount may apply.

Financial assistance guidelines are based on the federal poverty guidelines published annually in the Federal Register. All patients applying for assistance will be screened based on the guidelines established within the McLaren Health Care Corporation policy.
