MYMcLAREN CHART

We are pleased to offer secure online access to your medical information through MyMcLaren Chart.

The patient portal can be used to:

- View visit summaries, lab, and radiology results from past and current visits.
- Access educational information about upcoming procedures.
- Pay your bill online.

You can also access your medical records on your mobile device with the HealthLife application. To download the HealthLife application, search "HealthLife" in the Google Play or the Apple Store.

MSU HEALTH CARE AT MCLAREN GREATER LANSING OUTPATIENT IMAGING CENTER

McLaren Greater Lansing and MSU Health Care partnered to bring the largest outpatient imaging center to the Lansing region. This imaging center offers quick access to a variety of imaging testing, including MRI, PET, CT, 2D/3D ultrasound, bone density, ultrasound, and X-ray.

To schedule an appointment, call (517) 975-8930.

KARMANOS CANCER INSTITUTE AT MCLAREN GREATER LANSING

Cancer is a beginning. And while it can be hard to see past a diagnosis, Karmanos Cancer Institute at McLaren Greater Lansing, with MSU Health Care, is here to help you focus on a future beyond treatment, filled with new perspectives, unknown strength, and possibilities that once seemed impossible.

We offer multidisciplinary care and individual care plans for every patient who comes through our doors. We also offer cutting-edge therapies, genetic counseling, oncology nurse navigators, support groups, clinics, screening programs, and much more.

The Karmanos Cancer Institute is Michigan's largest cancer care provider and research network. There are 15 locations in Michigan, including right here in Lansing, that offer a network of care.
