*"Thank you to the participants of 'A Little Change Makes a Big Difference'. The scholarship I was awarded was helpful when it came to paying for my one of my college courses at Baker College of Owosso. The scholarship money went directly to a class I took called Quantitative Literacy at Baker College. I was surprised when I learned that I received a scholarship, as many times, that is not the case! The money will help me pursue my future career of becoming an engine development technician. Thank you to everyone who made this possible for me."*

I am incredibly grateful because of the significance this scholarship had during my student teaching. After graduation, I am looking forward to teaching in a primary school. Thank you to the staff at McLaren Flint!"*
