

DEDICATED TO EXCELLENCE IN COMMUNITY HEALTH

Health screenings can detect problems early, when they're easier to treat. McLaren Bay Region offers a variety of community health screenings and education programs that give you the information to make positive health and wellness choices. We offer health screenings including:

- Skin cancer
- Balance
- Blood pressure
- Breast cancer
- Colorectal cancer
- Cholesterol
- Diabetes
- Hearing
- Heart Health
- Hernia
- Lung cancer
- Oral, head and neck cancer
- Prostate cancer
- Peripheral arterial disease
- Stroke

To view a full list of screenings and learn the details, visit: [McLaren.org/BayScreenings](https://www.mclaren.org/BayScreenings)
