HEALING IS OUR SPECIALTY

The McLaren Port Huron Wound Healing Center is staffed with a unique team of doctors, nurses, and technicians trained in healing chronic wounds using the most advanced therapies available today. The treatments and technologies used are backed by national standards and have a proven track record of healing wounds that haven't responded to traditional treatment.

WHEN SHOULD I SEEK TREATMENT FOR MY WOUND?

Ask your doctor about seeking care at the Wound Healing Center at McLaren Port Huron if you have a:

- Wound that hasn't healed in 30 days (commonly experienced by people with diabetes)
- Sore with increasing pain, redness or swelling, foul odor, or change in color
- Surgical wound that has become infected

WHAT SHOULD I BRING TO MY FIRST APPOINTMENT?

When you come for your first appointment, be sure to bring:

- A list of all medications
- A list of any allergies you may have
- Medical records including x-rays, if you have them
- Insurance forms and/or cards

WHAT SHOULD I EXPECT AT THE WOUND HEALING CENTER?

- Typically, your doctor will refer you; however, you can make an appointment directly
- When you make your first appointment, we will ask you a few questions about your wound and your health in general
- Our team of doctors and nurses will thoroughly evaluate your wound and health history
- More tests may be required to determine treatment options
- Along with your doctor, we will develop an individualized treatment plan based on your needs
- The team is in constant communication with you doctor throughout your care. Once healed, you will return to your doctor for follow-up care
