NOTICE OF PRIVACY PRACTICES

PLEASE READ THIS NOTICE OF PRIVACY PRACTICES CAREFULLY

McLaren Health Care ("McLaren") provides health care to our patients in partnership with affiliated health care providers, and other professionals and organizations. It is important that you understand how your health information is used and disclosed. This Notice describes our privacy practices. The practices in this Notice will be followed by:

- Our health care providers who participate in an integrated health care organization with us, including affiliated health care providers, and other health care professionals.
- All organizations and departments in our organization involved in health care, including hospital emergency department, outpatient services, mobile care, ambulatory care, ambulatory surgical center, urgent care centers, home health, hospice, cancer centers, and other health care services, including our research and education activities.
- Our employees, staff and students, including research affiliates and affiliates.
- All entities in our health care organization to which this Notice may be passed on our Website, if you do not have a computer you may request a copy by calling our Compliance Line.

YOUR RIGHTS

You understand that health information about you is private and personal, and we are committed to protecting it. Each time you use a hospital facility or other health care provider, a record of your care is made. This Notice applies to the records of your care at McLaren, whether created by family, friends or your personal physician. Other health care providers, including those you may have different practices or facilities regarding, may use and disclose your health information about you, regardless of their own offices or clinics.

We are required by law to make sure that health information that identifies you, a health provider, your family, or the names of our hospitals and other entities, including research affiliates and affiliates, and the names of our hospitals and other entities, including research affiliates and affiliates, are protected in the privacy of the hospital or its community of care.

HOW WE OBTAIN YOUR HEALTH INFORMATION

We may change the practices from time to time. Changes will apply to health information we already have on file or that information after the change becomes in effect. If there is a significant change in our practices, we will change our Notice and you will receive a printed version of this Notice and a copy of our Website or other communication.

WE MAY OBTAIN YOUR HEALTH INFORMATION FROM OTHER SOURCES

Your health information is shared with your family or other identifying information is used in many ways, such as identifying, contacting, treating, billing, research, planning, administrative, medical and nursing activities, managing care, emergency services and transportation, emergency, research, education, patient education, pharmaceutical and other activities at your care. The examples of health information we obtain from other health information include:
