Managing your health can be challenging. The Chronic Care Management program can help you live a healthier life and keep you doing the things you love. As a participant you can expect:

- Personalized care from a dedicated chronic care manager
- Assistance coordinating your visits with providers, labs, radiology, or others
- Help booking appointments with your provider for urgent matters
- Oversight of medications
- A personalized plan of care that aligns with your goals and values

**ELIGIBILITY**

If you have Medicare and two or more chronic health conditions, some examples of which are listed below, you may benefit from the Chronic Care Management program.

- |                             |                                       |
|-----------------------------|---------------------------------------|
| - Alzheimer's               | - Cardiovascular disease              |
| - Arthritis                 | - COPD                                |
| - Asthma spectrum disorders | - Depression                          |
| - Cancer                    | - Diabetes                            |
|                             | - Hypertension or high blood pressure |

**Spec Info:**

**WHAT IS THE COST?**

As with other Medicare services, you will be responsible for a 20% coinsurance payment monthly, unless you have a supplemental plan that covers this amount. If you have a commercial plan, check with your plan to determine what will be covered and any cost you will be responsible for.

**HOW DO I JOIN?**

Ask your primary care provider to find out if you qualify for this service. The office will complete participant registration.
