**Saving Money With A McLaren Medicare Plan**  
 We know every dollar counts. That's why McLaren Medicare plans have a maximum out-of-pocket spending limit per year, which helps you predict your costs.

**What is a "Duals" Plan?**  
 If you have both Medicaid and Medicare, you could qualify for more benefits with McLaren Medicare Inquire Duals (MHD D-SNP). You keep all your Medicaid benefits and add even more, all for a \$0 plan premium. You get prescription drug coverage, your Medicaid benefits and additional health benefits such as vision, dental, hearing and home-delivered meals after you have been discharged from the hospital. You also get a generous over-the-counter allowance to use each quarter.

**Dental Coverage to Smile About**  
 Whichever McLaren Medicare plan you choose, you get access to dental care through Delta Dental. Preventive dental services are covered with a \$0 copay. You also get some coverage for comprehensive dental services such as fillings, crowns repairs and simple extractions. Optional comprehensive dental packages are also available for purchase.

**Selecting a McLaren Medicare PCP**  
 When you enroll in a McLaren Medicare plan, you'll select a primary care physician from our extensive network of providers. They will work with you to help coordinate your care, including all of the specialty care you may need and no referral is needed to see an in-network specialist.
