This notice describes how health information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

**WHO WILL FOLLOW THE PRACTICES OUTLINED IN THIS NOTICE?**  
 McLaren Health Care ("McLaren") provides health care to our patients in partnership with physicians, health care providers and other professionals and organizations. McLaren Health Care and its affiliated entities are subject to the Health Information Privacy Practices. The practices in this Notice are intended to:

- Help health care professionals who participate in an organized health care arrangement with us to assist in providing treatment to you. These professionals may include, but are not limited to, physicians, other health professionals, and other health care professionals.
- We acknowledge and appreciate our organization, except for health plans, including hospital emergency department, independent services, mobile units, self-managing, self-employed, and other practices, might use certain types of health information, certain services and other health information as part of their outside our system and other care contracted for assistance in providing services.
- Our employees, staff and volunteers, including corporate officers and affiliates.

A complete list of all our organizations covered by this Notice may be found on our Website. If you do not have a computer you may request to be notified by telephone.

**USE OF HEALTH INFORMATION**  
 The information that health information about you is provided and personal, and an individual's disclosure of this information to a third party is not a transfer of ownership or other health care provider, a record of your care and health. This Notice applies to all records of your care at McLaren, whether created by health care or your personal physician. Other health care providers providing treatment to you may have separate practices or policies regarding how they use and disclose health information about you, and you should review their privacy notices.

**WE ARE REQUIRED TO:** We are required to use health information that identifies you in a way that is not for the benefit of our health care or other services, including your health information, and to take the steps of this Notice that is currently in effect.

**WE MAY CHANGE THIS NOTICE:** We may change this Notice and we will notify you of any changes to this Notice. We may change our Notice and we will notify you of any changes to this Notice.

**USE OF HEALTH INFORMATION FOR YOUR OWN BENEFIT OR FOR THE BENEFIT OF OTHERS:**  
 Your health information is used to provide you with the best care and services. We use your health information to help you understand your health and to help you make decisions about your health care. We use your health information to help you understand your health and to help you make decisions about your health care.

**Payment:** We may use your health information to provide you with medical care in our facilities or in your home. We may use your health information with others who provide care to you, such as hospitals, nursing homes, doctors, nurses, dentists, medical and nursing schools, therapists, technicians, emergency services and transportation providers, medical equipment providers, pharmacies, and others involved in your care. For example, without hospital admission, we may use your health information to coordinate your prescriptions, laboratory, x-ray and other medical needs.

**Payment:** We may use and disclose your health information as needed to get paid for the medical care that we provide to you or to assist others who care for you to get paid for that care. For example, we may share your health information with billing companies to bill your health insurance plan to obtain your payment for your care or to bill you for your self-pay care.

**Health Care Operations:** We may use or disclose your health information for our quality assurance activities and to monitor and improve our health care. We may use your health information in combination with other health information to compare our services and to help others who can improve our care and services. We may use your health information to help us improve our care and services, including our ability to get legal, auditing, accounting and other services and to monitor, measure, manage and improve our services. We may use your health information to help us improve our care and services, including our ability to get legal, auditing, accounting and other services and to monitor, measure, manage and improve our services. We may use your health information to help us improve our care and services, including our ability to get legal, auditing, accounting and other services and to monitor, measure, manage and improve our services.

**Health Information Exchange (HIE):** We participate in Health Information Exchanges such as Great Lakes Health Connect and Connected. We are required to use your health information in a secure, secure and controlled manner for the purpose of improving the quality of health care services provided to you by us, by participating organizations, and by other health care providers. We may use your health information to help us improve our care and services, including our ability to get legal, auditing, accounting and other services and to monitor, measure, manage and improve our services.
