**IMPORTANT NOTE**  
With the exception of Occupational Care visits, this center is intended to provide episodic care for your convenience. The examination and treatment that you have received has been on an episodic care basis only. It was not intended to be a substitute or replacement for complete medical care. We encourage you to report this information to your doctor(s) and follow up with your doctor(s) as directed.

I was given the opportunity to ask questions and understand the instructions given to me. I hereby acknowledge receipt of the instructions above and realize that I may be released before all of my medical problems are known or treated. I will arrange for follow-up care and provide the instruction sheet to that provider, as indicated.
