WOULD YOU LIKE TO CELEBRATE  
YOUR EXTRAORDINARY NURSE?

HEALTH CARE

**The DAISY Award**  
FOR EXTRAORDINARY NURSES  
IN MEMORY OF J. PATRICK BARNES

## SHARE YOUR STORY!

The DAISY (Diseases Attacking the Immune SYstem) Award is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day. The DAISY Foundation was established by the family of J. Patrick Barnes after he died from complications of the auto-immune disease ITP in 1999. During his hospitalization, they deeply appreciated the care and compassion shown to Patrick and his entire family. When he died, they felt compelled to say “thank you” to nurses in a very public way. The DAISY Award for Extraordinary Nurses recognizes nurses who are extraordinary in the impact they have on compassionate patient care. Honorees can be any nurse who impacts patient care directly including supervisors, managers, educators, or nurses who specialize in case management, informatics, or patient flow.
