

## WHEN TIMES GET TOUGH, MCLAREN IS HERE

McLaren is dedicated to nurturing hope through compassionate care. Our team is committed to enhancing comfort, ensuring quality of life, and supporting patients and families through challenging times. We provide comfort and assistance to those navigating difficult moments wherever they call home.

Benefits include:

- Nursing support available 24 hours a day, seven days a week if needed
- Pain and symptom management to offer comfort
- Case Managing Registered Nurse will coordinate medication, medical equipment, and supplies
- Support from trained volunteers
- A team of professionals that will listen and provide you and your family for psychological, emotional, and spiritual support
- Short-term respite care as part of your benefits
- Short-term hospitalization if needed to help manage symptoms that cannot be controlled at home
- Certified Nursing Assistant to help with activities of daily living, such as bathing and dressing

We provide care wherever you call home.  
Let us help by calling (866) 323-5974 or visit [mclaren.org/hospice](https://mclaren.org/hospice) today.
