CONSENT TO PROCEDURE WITH INTRAVENOUS SEDATION

- I have been told by my physician, _____ that my present condition or condition may effectively be treated by the following procedure(s): Electrophysiology Studies Radiofrequency Ablation Permanent Pacemaker Implantation Insertion of Internal Cardiac Defibrillator St. Ventricular Change Pacemaker with Replacement or Replacement of the previous Lead as needed or addition of a new Lead I hereby authorize my physician and the associates and assistants selected by her to perform the described procedure(s).
- I understand that unforeseen circumstances may arise during an operation or procedure, and may require performance of operations or procedures different from or in addition to those originally planned, in order to safeguard and provide the well-being of the patient. I consent to such other or additional surgery, procedures, or therapies as may be considered necessary or advisable by my doctors under such circumstances. I authorize and request that my Physician, his assistants or his designees, perform such additional procedures as are necessary. If at an outpatient facility, I consent to transfer to McLaren Flint main campus in the event that my condition warrants such a transfer.
- I am aware that McLaren Flint is a resident teaching facility and that physician residents and/or medical students may be involved with my care under the supervision of my physician. I consent to their involvement and participation in my treatment planning and care.
- I understand that such procedure(s) may involve transfusion of blood or blood cell products. I have been made aware that, despite routine screening procedures, use of blood and blood cell products always carries some risk of transmissible disease, including hepatitis virus, or other blood-borne agents. I give authorization to substitute to me during the procedure(s):
 regular blood or blood products from the Blood Bank;
 autologous blood only (blood I have given);
 designated (labeled) donations only;
 no blood products. In the absence of a sufficient quantity of blood I have given, I understand regular blood or blood products from the Blood Bank will be used.
- I agree to the use of anesthesia and/or sedation as deemed appropriate by the anesthesiologist or his/her designee. It has been explained to me that all forms of anesthesia involve some risks and although rare, unexpected adverse complications may occur including but not limited to muscle or throat pain, injury to mouth or teeth, infection, injury to blood vessels, headache, dizziness and others. It has been explained to me that sometimes an anesthesia technique which involves the use of local anesthetics with or without sedation, may not succeed completely and therefore another technique may have to be used including general anesthesia. I consent to the anesthesia service discussed with the anesthesia provider. I also consent to an alternative type of anesthesia if necessary and deemed appropriate by my anesthesia provider.
- I acknowledge that full discussion has taken place between my physician and me prior to the procedure(s). Hereto authorized that the advantages and disadvantages of such procedure(s) including the risk of infection, have been explained to me, and that alternative methods of treatment have been discussed with me. I have been made aware of certain risks and consequences that are associated with the procedure(s) described in Paragraph 1 and understand that submitting to the procedure(s) may endanger my life or future health. I am aware that the practice of medicine and of surgery is not an exact science, and I acknowledge that no guarantees have been made to me concerning the results of the procedure(s).
