**CHRONIC CARE MANAGEMENT**

Managing your health can be challenging. The Chronic Care Management program can help you live a healthier life and keep you doing the things you love. As a participant you can expect:

- Personalized care from a dedicated chronic care manager.
- Assistance coordinating your visits with providers, labs, radiology, or others.
- Help booking appointments with your provider for urgent matters.
- Oversight of medications.
- A personalized plan of care that aligns with your goals and values.

**ELIGIBILITY**

If you have Medicare and two or more chronic health conditions, some examples of which are listed below, you may benefit from the Chronic Care Management program.

- Alzheimer's
- Arthritis
- Atrial fibrillation
- Autism spectrum disorders
- Cancer
- Cardiovascular disease
- COPD
- Depression
- Diabetes
- Hypertension or high blood pressure

**WHAT IS THE COST?**

Depending on insurance coverage, there may a minimal coinsurance or no out-of-pocket cost to receive chronic care management. Patients can call their insurance to determine coverage.

As a population health navigator, Penny will assist you in enrolling you in programs and assist in obtaining consents for the Chronic Care Management program.
