CLINICAL EXPERTISE AND PERSONALIZED BREAST CARE

The McLaren Oakland diagnostic imaging team is proud to share that 3D mammography will soon be available at our newly renovated McLaren Oakland - Oxford campus located at 385 N Lapeer Rd, Oxford, MI 48371.

This newly renovated location offers convenient access to care to patients in Oxford and its surrounding communities, and will provide the most advanced 3D mammogram technology and automated breast ultrasound with Invenia ABUS 2.0, the only FDA-approved screening device for women with dense breast tissue.

Our outpatient diagnostic imaging center, physical therapy, cardiac rehab, and medical lab will be opening August 5, 2024. The entire campus is expected to open in the Fall 2024, and will be complete with a freestanding emergency department, oncology clinic, primary care, and

Please know that there will be no changes to the care provided at McLaren Clarkston Breast Center, and our team will continue to offer a wide array of services.

Contact us at (800) 625-2738 to schedule your appointment today or visit mclaren.org/clarkstonbreastcenter.
