Managing your health can be challenging. The Chronic Care Management program can help you live a healthier life and keep you doing the things you love. As a participant you can expect:

- Personalized care from a dedicated chronic care manager
- Assistance coordinating your visits with providers, labs, radiology, or others
- Help booking appointments with your provider for urgent matters
- Oversight of medications
- A personalized plan of care that aligns with your goals and values

ELIGIBILITY

If you have Medicare and two or more chronic health conditions, some examples of which are listed below, you may benefit from the Chronic Care Management program.

- | | |
|-----------------------------|---------------------------------------|
| • Alzheimer's | • Cardiovascular disease |
| • Atrial fibrillation | • COPD |
| • Autism spectrum disorders | • Depression |
| • Cancer | • Diabetes |
| | • Hypertension or high blood pressure |

WHAT IS THE COST?

As with other Medicare services, you will be responsible for a 20% coinsurance payment monthly, unless you have a supplemental plan that covers this amount. If you have a commercial plan, check with your plan to determine what will be covered and any cost you will be responsible for.

HOW DO I JOIN?

Ask your primary care provider to find out if you qualify for this service. The office will complete participant registration.
