TRADE NAFTA (TN) WORK AUTHORIZATION AND VISASCREEN

TN work authorization is available to eligible workers from Canada. TN provides temporary work status for one year and is easily renewable. Due to U.S. Health Care Worker Certification regulations currently being enforced for all immigrant and non-immigrant workers in certain health care professions, you will be required to obtain a "VisaScreen" certificate from the Commission on Graduates of Foreign Nursing Schools/International Commission on Healthcare Professions (CGFNS/ICHP) before TN work authorization will be issued. If you are interested in joining McLaren, we will provide the necessary Letter of Intent to Employ for TN work authorization as well as outline and assist you through the TN and VisaScreen processes.

More information on Health Care Worker Certification via VisaScreen can be found online at www.cgfn.org
