Petoskey, MI 49770
Ground Floor Conference Room

The Bariatric "Back on Track" program helps you "reset" and change course back to a more healthful path by addressing issues that may have led to weight regain or plateau after weight loss surgery. Remember that weight loss is a journey, not a destination and sometimes we get off course; the "Back on Track" program is designed to give you the tools to get back on the path to good health and permanent weight loss.

Call 231-487-5512 to sign-up and learn more about fighting back against weight gain after weight loss surgery.
