US-127 REBUILD PROJECT

TRAFFIC INFORMATION TO HOSPITAL

ROAD CONSTRUCTION AHEAD

The Michigan Department of Transportation (MDOT) US-127/496 and I-96 to I-496 reconstruction is a major project that will span through the years 2024 and 2026. This project will impact traffic routes including to the McLaren Greater Lansing hospital campus. McLaren has worked closely with MDOT to ensure the hospital campus remains easily accessible for our patients and visitors.

WHAT TO KNOW

March through November 2024: Northbound (NB) lanes will be under construction. All traffic traveling north and south will be utilizing the southbound (SB) side of the highway.

The NB ramp to Dundee Road will be temporarily closed March – June 2024. Please follow the posted detour routes.

Our patients and visitors are a top priority. Our hospital campus will be open and accessible during this project.
