Ortho Education Series

At McLaren Bay Region, you can always expect more because that's what we offer — more quality health care services, more advanced technologies and, above all, more distinguished doctors, including orthopedic experts.

Our highly skilled orthopedic surgeons are standing by, offering a complete range of treatments and procedures to help end your joint and muscle pain.

To help answer any questions you may have about various orthopedic procedures and treatments, our orthopedic surgeons are offering an Ortho Education Series.

All programs will be held from 5:30 - 6:30 p.m. at the Lincoln Center, 820 S. Lincoln, Bay City.

There is no cost to attend any of the programs.

Reservations requested by calling toll-free 1-877-411-2762 anytime.
